

# Join Our Board of Directors

Contribute Your Voice, Leadership & Experience

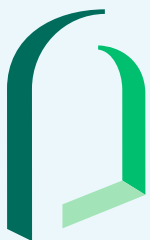

The Milestone Foundation, the only nonprofit that provides fair pre-settlement funding with low, simple interest to plaintiffs in need, is seeking volunteer leaders to join its dynamic board of directors. More information on The Milestone Foundation and its innovative model is available at [themilestonefoundation.org](http://themilestonefoundation.org).

The board needs a variety of skills, with an emphasis on candidates with expertise in at least one of the following:

- A detailed understanding of personal injury and/or mass tort lawsuits
- Experience in social services and knowledge of available resources for individuals in need
- Connections to law associations and ancillary businesses
- A commitment to ensuring access to civil justice
- Enthusiasm for fundraising, marketing, and/or relationship building

As we are a national nonprofit, we welcome board members from across the United States and offer opportunities to participate in Foundation activities virtually. Board members are actively involved in organizational governance and devote 2-4 hours a month to Foundation activities, attend bi-annual board meetings, participate in at least one board committee, support the philanthropic efforts of the organization, and help facilitate relationships with law firms and industry associations.
